..Respondents

Prayer :

Writ petition filed under Article 226 of the Constitution of India, for issuance of a Writ of Mandamus, directing the respondents particularly the 3rd respondent viz., the Secretary, Selection Committee, Directorate of Medical Education, Kilpauk, Chennai-600 010 to accept the petitioner as NEET candidate based on his Backward Community (BC) Certificate for admission to MBBS/BDS course 2017-2018 session under Management quota seats.

For Petitioner : Mr.R.Gandhi
Senior Counsel for
Mr.S.Udayakumar

For Respondents : Mr.K.Venkataramani, AAG
assisted by
Mr.A.Kumar
Special Government Pleader for R1 to R3
Mr.V.P.Raman, Standing counsel for R4
Mr.V.Venkatesan, SCGSC for R7

ORDER

The petitioner seeks for a direction to the respondents to accept the petitioner as NEET candidate belonging to BC community for admission to MBBS / BDS course for the academic year 2017-2018 under the management quota seats.

2. The case of the petitioner is that while filling up the application for NEET examination, the community category was wrongly mentioned as UR instead of BC, even though the petitioner belongs to BC community, as it is evident from the community certificate issued by the competent Revenue Official. Therefore, it is contended that the petitioner should be considered under the BC category while considering his admission to MBBS/BDS course.

3. The learned Additional Advocate General appearing for the respondents 1 to 3 submitted that admission to MBBS course is already over and therefore, the claim of the petitioner cannot be considered in any manner. However, insofar as the admission to BDS course is concerned, it is not in dispute that the counselling is still going on.

4. Heard the learned Senior Counsel appearing for the petitioner, the learned Additional Advocate General appearing for the respondents 1 to 3, the learned standing counsel appearing for fourth respondent and the Senior Central Government Standing Counsel appearing for seventh respondent.

5. Upon hearing the learned counsels on either side, it is evident that the petitioner when applied for NEET examination, has wrongly mentioned the community category as UR, even though the community certificate issued by the competent Revenue Official indicates that he belongs to BC community. Apart from the said fact, the transfer certificate issued by the School, where the petitioner studied, also indicates that he belongs to BC community. Moreover in the provisional merit list published for considering the candidates under Government Quota seats, the petitioner was shown as BC candidate with the Rank No.21844. Therefore, this Court is of the view that the petitioner can be shown some indulgence by placing him at the bottom of the list of the candidates belonging to BC community only for considering the admission

to BDS course, as admittedly the counselling to MBBS course is already over and therefore, the petitioner cannot seek for any remedy in respect of such course. This Court, has in fact entertained similar prayers and granted the relief in respect of the persons who approached this Court, before publication of the merit list and commencement of the counselling. But this petitioner has approached this Court, only after publication of the merit list and after commencement of the counselling and therefore, his name has to be placed only at the bottom of the list of the candidates belonging to BC category. Accordingly, this writ petition is disposed of, by passing the following order:

- (a) The respondents are directed to place the petitioner at the bottom of the merit list meant for BC community candidates, called for counselling to BDS course.
- (b) The candidates who are already shown in BC category of such merit list shall not be disturbed in any manner.
- (c) After filling up the seats based on such merit list already prepared in respect of BC category students for BDS course, if any vacancies arise, the petitioner's case can be considered by treating him under BC category, provided the petitioner

satisfies that the marks obtained by him in the NEET examination would fall under the zone of consideration for the BC category.

No costs.
