The petitioner belongs to a Most Backward Community. Considering his eligibility, he and few others were issued Free House Site Patta on 09.11.1993. His grievance is that even though such an assignment patta has been issued, there was no actual demarcation of the assigned land. The petitioner has

therefore given a representation in this regard on 18.12.2017.

2. The writ petitioner is directed to produce the assignment patta in original before the third respondent on 05.01.2018. On such production, the third respondent is directed to measure and hand over possession of the assigned land as per the said patta within a period of eight weeks thereafter.

3. With the above direction, the writ petition is allowed. No costs. Consequently, connected miscellaneous petition is closed.
