O R D E R

The petitioner is a Pharmacy college imparting four years course in B.Pharm., after getting approval from AICTE on 10.04.2017 for having intake of 50 seats for the academic year 2017-2018. The first respondent affiliated the college on 02.05.2017 for the academic year 2017-2018. The Pharmacy Council of India as per the request of the petitioner granted approval for intake of 60 students for the academic year 2017-2018 by order dated 12.08.2017. However, the first respondent Tamil Nadu Dr. M.G.R. University granted affiliation to the petitioner institution for the academic year 2017-2018 for an intake of 50 students instead of 60 students by order dated 19.09.2017. The said order is challenged before this Court.

2.Heard Mr.Prabhu Mukunth Arun Kumar, learned counsel appearing for the petitioner; Mr.P.R.Gopinathan, learned standing counsel appearing for the first respondent; Mr.M.T.Arunan, learned counsel appearing for the second respondent and Mr.Rabu Manohar, learned counsel appearing the third respondent.

3.It is evident from the Pharmacy Council's order dated 12.08.2017, the approval was granted for intake of 60 students, whereas AICTE granted approval for intake of 50 students only. As per the order of AICTE, the first respondent issued the impugned order.

4.The Pharmacy Council of India is an expert body which is administrating and regulating pharmacy education and has got power and jurisdiction to give approval for Pharmacy courses. Though the issue as to who is the supreme body namely the

Pharmacy Council of India or AICTE is pending before the Honorable Supreme Court, from the facts of the present case, it is evident that the Pharmacy Council which is an expert body by order dated 12.08.2017, granted approval for 60 seats. Therefore, the petitioner is entitled to admit 60 students.

5.The learned counsel for AICTE would submit that based on Pharmacy Council's instruction, the approval was restricted to 50 seats. However, the Pharmacy Council reversed its decision and granted approval for intake of 60 students by order dated 12.08.2017. Since the Pharmacy Council makes it clear that the intake is 60, the impugned order is quashed and there shall be a direction to the first respondent Tamil Nadu Dr. MGR Medical University to give affiliation for intake of 60 students.

6.Mr.P.R.Gopinathan, learned standing counsel would submit that Tamil Nadu Dr. M.G.R. Medical University has got the power and jurisdiction to make inspection and to verify the available infrastructure. There is no quarrel with regard to power and jurisdiction of the Tamil Nadu Dr. M.G.R. Medical University and it is at liberty to do so, if the situation warrants.

7. With the above observations, this writ petition is disposed of. Consequently, connected miscellaneous petitions are closed. No costs.
