This Public Interest Litigation is filed by the petitioner, seeking action against the fourth respondent, who is said to have put up construction, contrary to the building laws.

2. The documents, filed, would show that the second respondent has also informed the petitioner that there is no record available in his office for the approval given for the construction made already. A communication dated 31.05.2017 has also been sent by the second respondent to the third respondent to initiate proceedings and take proper action against the construction made by the fourth respondent. 3. Therefore, we call upon the third respondent i.e., the Commissioner, Greater Chennai Corporation to take appropriate action, in pursuant to the aforesaid communication of the second respondent dated 31.05.2017 as per law, after due notice to the parties concerned, including the petitioner and the fourth respondent.
