This writ petition is filed challenging the notice dated 13.10.2017 calling upon the petitioner to appear on 26.10.2017 for enquiry and for measuring the land.

2. The grievance of the petitioner before this Court is that without even verifying the documents, the 2nd respondent will conduct the measurement.

3. I do not think that the petitioner's apprehension is appreciable, especially, when the impugned proceedings called upon the petitioner to appear for an enquiry on 26.10.2017 with relevant documents. Therefore, the 2nd respondent will certainly look into the documents filed by the parties and take a decision as to whether the measurement of the land has to be done or not, based on the documents submitted by the respective parties. Therefore, it is evident that the present writ petition is filed with baseless apprehension and consequently, I do not find any ground to entertain this writ petition, at this stage. Accordingly, this writ petition is disposed of by directing the petitioner to appear before the 2nd respondent on 26.10.2017 with relevant documents as called for in the impugned proceedings. No costs. Consequently, connected miscellaneous petition is closed.
