The relief sought for in this writ petition is to consider the appeal submitted by the writ petitioner before the first respondent on 15.11.2012 in respect of the order of dismissal passed against the writ petitioner.

2. The learned counsel appearing for the writ petitioner made a submission that the writ petitioner was dismissed from service in the year 1999 itself. However, there is a huge delay in preferring an Appeal in this regard to the first respondent. However, this Court is of the view that all these grounds raised

by the writ petitioner shall be considered by the appropriate authorities. However, the writ petitioner submitted an appeal to the first respondent on 15.11.2012 and the same is yet to be considered.

3.Thus, without going in to the merits of the matter, the first respondent is directed to consider the appeal preferred by the petitioner on 15.11.2012 and pass orders on merits and in accordance with law within a period of twelve weeks from the date of receipt of a copy of this order. The writ petitioner is directed to enclose the copy of the representation and all other relevant documents along with the order passed in this writ petition.

4.Accordingly, this writ petition stands disposed of. However, there shall be no order as to costs.
