

W.P.(Filing)No.1816 of 2017

T.RAJA, J.

Although the writ petition was filed in the year 2017 and the matter is shown on the board under the caption "WP SR stage default cases", when it was called, none appeared for the petitioner and even the defect(s) pointed out by the Registry has/have not been rectified. Hence, the W.P.(Filing) No.1816 of 2017 stands rejected for not rectifying the defect(s) pointed out by the Registry and also for not prosecuting the matter for nearly three long years.
