PRAYER:

Writ Petition filed under Article 226 of Constitution of India, to issue a Writ of Mandamus, directing the respondents to consider representation dated 13.07.2017 and direct the respondent to grant the relaxation of marks scored in the NEET (UG) 2017 for the sport person of Pudherry (UT).

For Petitioner : Mr.D.Sreenivasan

For Respondents: Mr.Venkatasamy Babu,
learned standing counsel, for R1
Mr.A.Gandhiraj,
learned Government Pleader (Pondy)
for R2 & R4.

O R D E R

The petitioner seeks for a mandamus directing the respondents to consider the representation of the petitioner dated 13.07.2007, wherein and whereby, the petitioner seeks for grant of relaxation of the marks scored in the NEET (UG 2017) for the sports person of Puducherry (Union Territory).

2. Heard the learned counsel appearing for the petitioner, learned Standing Counsel appearing for the first respondent and the learned Government Pleader (Pondy) appearing for the respondents 2 and 4.

3. The grievance of the petitioner is that the qualifying marks fixed for OBC category as 107 is to be reduced insofar as the petitioner is concerned, by considering his sports certificates. Therefore, the petitioner made the said representation which is sought to be disposed of through the present writ petition.

4. I do not think that the petitioner is justified in seeking such relief for reducing the qualifying marks, which is already fixed. If the petitioner is permitted to contend like this, every person will have their own reason for reducing the qualifying marks, which would ultimately result in upsetting the whole process of exam and selection. I do not think that the petitioner is justified in making such representation and consequently seeking for disposal of such representation. I do not find any merits in the said representation of the petitioner dated 13.07.2017, so as to direct the respondents to consider the same. Accordingly, the writ petition fails and the same is dismissed. No costs. Consequently, connected miscellaneous petition is closed.
