disclose a cognizable offence, a preliminary enquiry has to be conducted.

4. The respondent is not justified in having received the complaint and keeping it unattended without any further action. In view of the same, the petitioner has made out a case for this Court to invoke its inherent powers under Section 482 of the Criminal Procedure Code.

5.In the result, the petitioner is directed to give a copy of the complaint dated 03.12.2017 to the Station Housing Officer having territorial jurisdiction over the issue. On receipt of the said copy of the complaint, the concerned Station Housing Officer shall adhere to the following directions:-

1) If the information received by the respondent discloses commission of a cognizable offence, then, the same shall be forthwith registered.

2) If an information received does not disclose a cognizable offence, the respondent shall conduct a preliminary inquiry to ascertain whether cognizable offence is disclosed therein or not and such inquiry shall be completed within a period of fifteen days from the date of information.

3) If the inquiry discloses the commission of a cognizable offence, the FIR must be registered, if not already registered or closed.

4) If the preliminary inquiry ends in closing the complaint, the closure report must be recorded along with the reasonings and a copy of the same shall be furnished to the complainant within one week.

5)All information relating to cognizable offences whether resulting in registration of FIR or leading an inquiry must be reflected in the general diary/station diary/daily diary of the respondent's police station.

6. In the result, the Criminal Original Petition is Allowed with the above directions.
