3. Executive Officer,

.. Respondents

This case came up for settlement before Lok Adalat. Both the parties are present. Mrs. Najmunisha / petitioner, and Mr.D.Ravichandran, Junior Engineer TNEB / 2nd respondent is present. The respondent for S.Abdulllah work Inspector for Tamil Nadu Wakf Board also present. After mutual discussion, negotiation, mediation and conciliation between both parties, they arrived at a compromise to settle the matter as follows:

The petitioner who is residing in the premises of 3rd respondent as tenant, has filed a petition before the respondents 1 and 2 seeking service connection. Unfortunately the petitioner's claim was not properly considered and said petition was negatived on 14.2.2008. Aggrieved by the said order this writ petition is filed seeking a direction against the respondents and, to set aside the above said order and give direction for service connection.

2. Today the petitioner, the Junior Engineer of Electricity Board representing respondents 1 and 2 and Walk Board inspector are all present. Though both the parties are not represented by counsel considering facts which I am going to give in detail their presence may not be so essential, and in the absence of the representative counsels also, effective order could be passed without causing prejudice, to the parties.

3. The petitioner and the respondents have made joint endorsement in the petition, which reads that on 16.2.2009 service connection No.08-462-115-2071 was given to the petitioner as requested and pursuant to the connection also E.B. Card was issued, shown before me. Further it is also an admitted fact that the petitioner is consuming Electricity from the said service connection on and from 16.2.2009. Therefore, in the above said circumstances from the date of filing of petition as well as on this date, the prayer in the petition is fully satisfied and therefore keeping the writ petition is unnecessary and in this view it become infructuous. As requested by the parties in the joint endorsement, in the absence of the counsel also, the petition could be disposed off.

4. In view of the above endorsement settlement reached. The writ petition is dismissed as infructuous, the further fact being, the prayer was already complied with. The writ petition disposed off accordingly.
