O R D E R

Today, the matter is listed before this Court in a special sitting during summer vacation. Both sides agreed for taking up the matter for final disposal, though the counter affidavit is not filed.

2. The petitioner is aggrieved by the order of assessment passed in respect of assessment year 2008-2009 dated 15.09.2016.

3. Heard the learned counsel appearing for the petitioner and the learned Additional Government Pleader (Tax) appearing for the respondent.

4. There are three issues involved in the impugned order of assessment and all the three issues are commonly touching upon the mismatch. Thus, the three issues are as follows:-

(1) Mismatch between Annexure-I and Annexure-II of the dealer.

(2) Difference in purchase as per Annexure-II of the other end dealer.

(3) Difference in sales as per Annexure-I of the other end dealer.

5. It is represented by both sides that the issue mismatch has already been considered by this Court in W.P.No.105/2016 etc., dated 01.03.2017 and therefore the above decision has to be applied to the present case as well. A perusal of the above said decision, more particularly, paragraph Nos. 56 to 58 would show that this Court has issued certain guidelines/procedures to be followed by the Assessing Officer, while dealing with mismatch issue, which reads as follows:-

"56. The procedure adopted under the Maharashtra VAT Act appears to be a more reasonable procedure, the Rules have been so designed to constitute independent authorities, who will in exercise jurisdiction to dispose of the objections etc. However, this Court cannot legislate nor direct the State to legislate in a particular passion and it is for the state to bring about and appropriate rules and set procedures so that when discrepancy is noted while comparing the return with that of the figures available with the Department in their web portal, there should be an exercise carried out by the department within its level before calling upon the dealer to show cause. This can be achieved only if there is a centralised mechanism and if the present practice is allowed to prevail, it would only result in multiplicity of proceedings with more number of cases pending before the Courts and Appellate forums, thus jeopardizing the interest of revenue. Therefore, it is high time the Principal Secretary and Commissioner of Commercial Taxes in consultation with him officers lays out a detailed procedure as to how to take forward cases of mismatch, evolve a central mechanism, which can go into these aspect and furnish details in full form to the respective Assessing Officers, who can decide for themselves as to whether there is a case made out to call upon their dealer to explain. If this centralized mechanism is not put in place exclusively for such purpose, it

would result in notices and orders being issued by the respective Assessing Officers without even the knowledge of the Assessing Officer of the other end dealer resultantly no action being taken against other end dealer, assuming, he is at fault. Therefore, it is high time the Department wakes up and stops the one way approach and examine the matter in a holistic manner so that the defaulting dealer is brought to books.

57. Hence, for all the above reasons, all the Writ Petitions are allowed and the notices/orders either original or appellate or revisional are set aside and the matters are remanded to the respective Assessing Officers, to undertake a fresh exercise by conducting a thorough enquiry in consultation with the Assessing Officers of the other end dealer for which purpose the Commissioner of Commercial Taxes shall empower the Assessing Officers to seek information from other circles as well and in the mean time to evolve a centralized mechanism to exclusively deal with the cases of mismatch and while doing so, the Principal Commissioner shall take note of the procedures adopted by the other States, more particularly, in Maharashtra, Gujarat and Delhi and if any statutory amendments have to be made, make appropriate recommendations to the State Government, and till then to devise a procedure which is fair and reasonable and afford an opportunity to the dealer to putforth his case and establish that he is entitled to the concession/set-off availed.

58. Since these Writ Petitions have been allowed and the impugned orders have been set aside and the matters have been remanded for fresh consideration the petitioners/ dealers are not entitled to raise the plea of limitation, when fresh show cause notices are issued and they are directed to submit their explanation to enable the Assessing Officers to adjudicate their case. The Court places on record the valuable assistance of Ms.R.Charulatha Advocate of M/s. Lakshmikumaran and Sridharan Attorneys. consequently, connected miscellaneous petitions are closed. No costs."

6. Therefore, this Court is of the view that the Assessing Officer has to re-do the assessment in accordance with the procedures/guidelines issued in W.P.No.105/2016 etc., dated 01.03.2017. Accordingly, this writ petition is allowed and the impugned order of assessment is set aside. Consequently, the matter is remitted back to the Assessing Officer for re-doing the assessment, in the light of the order passed in W.P.No.105/2016 etc., dated 01.03.2017, after giving due opportunity of hearing to the petitioner. Such exercise shall be done by the Assessing Officer within a period of eight weeks from the date of receipt of a copy of the order. Consequently, connected miscellaneous petition is closed. No costs.
