The petitioner was working as a Secretary under the respondent. While so, there was an enquiry, ordered by the Registrar under Section 81 of the Co-operative Societies Act alleging that investing in other Co-operative Societies without the permission of the Registrar is a misconduct. After the enquiry, the petitioner was placed under suspension. Thereafter, as per the report of the Enquiry Officer, the respondent reinstated him in service by an order dated 26.8.2004 and his services were also regularised for the suspension period. But by an order dated 25.8.2004, the petitioner was imposed a punishment of stoppage of increment for five years without cumulative effect. Challenging the same, the petitioner is before this Court with this Writ Petition.

689, this Writ Petition as against the respondent is not maintainable.

3. In view of the same, the Writ Petition is dismissed as not maintainable with liberty to the petitioner to work out his remedy in the manner known to law. No costs. Consequently, connected Miscellaneous Petition is also closed.
