(Order of the Court was made by **T.S.SIVAGNANAM, J.**)

The petitioner is running an Educational Institution and is aggrieved by the action initiated by the respondents in locking and sealing the premises, where the Institution is functioning on the ground that no planning permission was obtained or there is substantial violation of the building plan, which was approved by the Panchayat, where the land is situated.

2.Though it is stated that the entire building was locked and sealed, it appears that only a portion of the building has been locked and still the Institution is functioning in the building.

3.The second respondent has filed a detailed counter affidavit contending that the fifth respondent is not competent to issue any building plan approval without concurrence of the respondents 1 and 2. Further, it is submitted that the petitioner has not obtained the required certificates for building plan approval.

4.Considering the fact that the building has not been fully sealed and still the Institution is functioning and due to efflux of time, various amendments, which have been made to the Tamil Nadu Town and Country Planning Act and Development Rules, we are of the view that this is a fit case to be remanded to the second respondent for fresh consideration. Accordingly, the petitioner is directed to submit a revised plan along with all necessary enclosures to the second respondent within a period of four weeks from the date of receipt of a copy of this order. On receipt of the revised plan, the second respondent shall inspect the building, take measurements and thereafter, pass a reasoned order on merits and in accordance with law. The Management of the Petitioner's Institution and their officials shall extend fullest cooperation to the second respondent and their officials at the time of inspection. In case, the petitioner has already approached the Director of Town and Country Planning for any orders, those documents should also be placed before the second respondent. Considering the fact that only some portions of the building were locked and sealed in 2014, status quo, which is prevailing as on date shall continue.

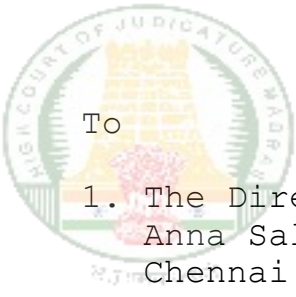

5.With the above direction, this Writ Petition is disposed of. No costs. Consequently, connected miscellaneous petitions are closed.
