[Order of the Court was made by
The Hon'ble The Acting Chief Justice]

The petitioner and the detainee, who is brought under police escort, have appeared before this Court. It appears that there is a matrimonial dispute between the petitioner and the detainee.

2. The detenue has expressed her opinion before us that she is not willing to live with the petitioner stating her incompatibility.

3. In view of the submissions made by the detenue, it is not the question of missing or absconding, rather the detenue expressed her feeling that it is not feasible for her to live with the petitioner. If there is any misunderstanding and incompatibility between the spouses, they have to work out their remedy before the Family Court concerned or before the appropriate Court. This petition is totally misconceived and as such, the same is dismissed, setting at liberty the detenue forthwith.
