[Order of the Court was made by T.S.SIVAGNANAM, J.]

Claiming that he has exchanged ring with the detainee and he is legally married to the detainee, the petitioner wanted the detainee to be produced before this Court, who is said to be in the custody of respondents 3 and 4.

2.The learned counsel appearing for the respondents on the server <https://hcservices.ecourts.gov.in/hcservices/> submitted that the detainee has married to another person and it is an arranged marriage.

3. Though the petitioner claims that the marriage has been performed, there is no document to establish that there is valid marriage between the petitioner and the detinue. Hence, the petitioner has no *locus standi* to maintain this Habeas Corpus Petition and the same is dismissed.
