ORDER

The prayer sought for in this Writ Petition is for the issuance of a writ of Mandamus directing the respondent to release the sale deed registered as Document No.1594/2017, dated 23.06.2017.

2.Mr.H.Mohammed Imran, learned counsel for the petitioner would contend that the petitioner had purchased lands through a registered sale deed, dated 23.06.2017 and after registration of the document, the respondent has no right or authority to withhold the document under the guise of proceedings under section 47-A of the Act.

3.Mr.A.Muthukaruppan, learned Additional Government Pleader, on behalf of the respondent, would submit that true value of the land has not been set forth in the document and since, the sale deed has been

insufficiently stamped, the authorities have initiated action under the provisions of the Stamp Act against the petitioner and the same is still pending.

4. I have considered the rival submissions and also perused the materials available on records.

5. The issue involved in this writ petition is no longer *res integra*. In similar facts, this court, in the case of **B. Rajappa and another vs. The Special Deputy Collector (Stamps)** (2002 (3) CTC 544) has held that after registration of a document, the Registering Authority has no power to retain the same and to protect the interest of the Government, issued suitable directions.

6. The decision of **Rajappa's case** referred to above, has been followed in **2008(3) CTC 614 [Tata Coffee Ltd. vs. The State of Tamil Nadu]**, **2008 WLR 260 [The Sub Registrar, Chingleput v. R. Rama]** and **2015 (1) CWC 353 [J. John Jesurajan vs. The District Registrar, District Registration Office]**. In view of the consistent view taken by this court in the decisions cited *supra*, I am of the considered opinion that the petitioner is entitled to succeed in the writ petition.

7. In the result, the writ petition is allowed with the following conditions:-

(i) The Registering Authority while releasing the document shall make necessary endorsement on the original document to the effect that the proceedings under Sections 47-A of the Act are pending;

(ii) The Registering Authority shall make necessary entries in the Register maintained regarding the pendency of 47-A proceedings in respect of the document, which is subject matter of the registration, so as to reflect the same in the Encumbrance Certificate for the benefit of the purchasers;

(iii) Pending final decision, in respect of the valuation under Section 47-A(1), as per Section 47-A (4), there shall be a charge over the properties in favour of the Government in respect of the unpaid value of the Stamp Duty;

(iv) After the entire proceedings under Section 47-A are completed, on production of the original document by the petitioner, the Registering Authority shall make necessary endorsement removing the earlier endorsement clearly stating that the entire amount of Stamp Duty

under the document has been paid in full and return the same; and

(v) After such endorsement, the Registering Authority shall make necessary entry as to the completion of 47-A proceedings in the Register maintained by them so as to reflect the same in the Encumbrance Certificate.

No costs. Consequently, connected Miscellaneous Petition is closed.
