PRAYER: Writ Petition filed under Article 226 of the Constitution of India, praying for issuance of a Writ of Certiorarified Mandamus calling for the records in connection with the letter issued by the 2nd respondent in C.No. R2/150/2017 dated 28.07.2017 and quash the same as illegal, consequently direct the respondents to permit the petitioner to participate in the next level selection process such as 1500 meter, running, rope climbing etc, in pursuant of TNUSRB combined recruitment for Grade -II police Constable/Grade II Warders /Fireman (Men & Women) - 2017 if the petitioner found eligible in Chest measurement during re - measurement.

Assisted by Mr.A.K.Baskara Pandian,

O R D E R

By consent of both parties, this writ petition itself is taken up for final disposal.

2.The petitioner, having passed S.S.L.C, applied for the post of Grade -II Police Constables / Grad-II Jail Warders / Fireman - 2017, when applications were called for by the respondent Police Department. Subsequently, after passing the written examination, the petitioner was called for for the Physical Endurance Test.

3. Now, the grievance of the petitioner appears to be that the respondents have not measured the height of the petitioner properly. As a result, he has been found disqualified.

4. In view thereof, when the matter was earlier listed before this Court, this Court directed the respondents to produce the video recordings taken at the time of measurement.

5. As per the said direction, the learned Additional Advocate General appearing for the respondent Police Department produced the video recordings and the same was played before me in the presence of the learned counsel on either side and also the petitioner.

6. A perusal of the same would go to show that height measurement of the petitioner has not been carried out properly. It is clear that the height of the petitioner in manual measurement is 169.4 c.m. only, whereas, when the digital measurement was made, the height of the petitioner is found to be 169.8 c.m. Therefore, this Court is of the view that it is a fit case for re-measurement. Accordingly, the respondents are hereby directed to re-measure the height of the petitioner.

7. The Writ Petition stands allowed. No costs. Consequently, the connected Miscellaneous Petitions are closed.
