2. Heard the learned counsel for the parties.

3. The case of the petitioner is that he engaged in the business of quarrying rough stone and the 2nd respondent had issued a notice dated 30.08.2017, mandating production of NOC from the Wild Life Board. Though the petitioner had already applied for NOC before the 1st respondent as early as 16.10.2015, it has been kept pending without any progress. The 2nd respondent also threatened of taking coercive action against the petitioner, if the clearance from the 1st respondent is not obtained. Aggrieved by the action of the respondents, the petitioner is before this Court with the above prayer.

4. The learned Standing Counsel for R1 would submit that if a reasonable time is granted to the 1st respondent, the application of the petitioner will be considered and suitable orders passed.

5. In view of the above submission, this Court directs the first respondent to consider the application dated 16.10.2015 filed by the petitioner for clearance and dispose of the same on merits and in accordance with law, within a period of four weeks from the date of receipt of a copy of this order, after affording an opportunity of hearing to the petitioner. However, it is made clear that till such time, the 2nd respondent shall not take any coercive steps against the petitioner, as proposed under notice dated 30.08.2017.

6. With the above direction, this petition is disposed of. No costs. Consequently, connected miscellaneous petition is closed.
