This writ petition has been filed, seeking to quash the impugned order dated 09.11.2017 passed by the second respondent, by which, the request of the petitioner-school for sanitary certificate was rejected by pointing out certain defects in the school. The petitioner-school also sought a direction to the second respondent to issue sanitary certificate to the school.

2. Heard the learned counsel for the petitioner-school and the learned Government Advocate appearing for the respondents. By consent, this writ petition is taken up for final disposal.

3. Though the prayer in the writ petition is for a larger relief, the learned Counsel for the petitioner-school has now confined his prayer to the extent that the petitioner-school is now agreeable to rectify the defects as pointed out by the second respondent and produce all the required documents for consideration.

4. Considering the limited scope of the relief sought for, the petitioner-school, which is represented by the Correspondent / Secretary is directed to appear before the authorities concerned along with necessary documents within a period of two weeks from the date of receipt of a copy of this order and on such appearance and production of documents, the same shall be looked into, considered and appropriate orders be passed regarding issuance of Sanitary Certificate on merits and in accordance with law within a period of four weeks thereafter after affording due opportunity of hearing to the petitioner-school.

5. With the above direction, this Writ Petition is disposed of. No costs.
