O R D E R

The petitioner seeks for a Writ of Mandamus, directing the first respondent to release the petitioner's vehicle viz., JCB TN 65 AZ 9078, which was seized on 16.12.2017 by the second respondent, by considering the petitioner's representation dated 18.12.2017.

2.The learned counsel appearing for the petitioner submitted that the vehicle in question has not been used for any illegal transportation. But, the second respondent has erroneously seized the vehicle on 16.12.2017 and now, the same is under his custody.

3.The learned Special Government Pleader appearing for the respondents submitted that the vehicle in question was found in possession of sand without any valid permit and hence, it was seized.

<https://hcservices.ecourts.gov.in/hcservices/> In any event, as the vehicle is under the custody of the second respondent, having been seized on 16.12.2017 and considering the fact that if the same is allowed to be kept idle

by exposing the same to sun and rain, it would certainly diminish its value. Therefore, pending proceedings before the respondents, this Court is of the view that the vehicle can be released by imposing conditions on the petitioner for release of the said vehicle.
