O R D E R

The petitioner seeks for a Writ of Mandamus, directing the 3rd respondent to provide adequate police protection for surveying the property in Survey No.335/4, Plot No.312, Aiykudi Village, Sengottai Taluk, Tirunelveli District and also direct the 2nd respondent to conduct survey for the said land.

2. According to the petitioner, he was assigned 0.02 cents of land in the above said survey number by a proceedings dated 19.01.1986 in Na.Ka.C1/Veema 1/ 1986. When the petitioner has decided to construct a building in the said land, some of the neighbourhoods are preventing the petitioner from entering into the said land. Hence, the petitioner preferred a complaint before the 3rd respondent on 23.08.2014. Thereafter, in order to survey the said land, on 22.02.2017 when the Surveyors tried to survey

the said land, the local people prevented the Surveyor from carrying out his work. Therefore, the petitioner has approached this Court with the aforesaid relief.

3. The learned Special Government Pleader appearing for the respondents would submit that the local people have given an undertaking that they would not cause any disturbance for surveying the land. He would further submit that for surveying the land of the petitioner, adequate police protection would be given.

4. In such view of the matter, the respondents 2 and 3 are directed to survey the land within a period of 8 weeks from the date of receipt of a copy of this order and the 3rd respondent is directed to provide adequate police protection for surveying the above said land.

5. With the above observation, the Writ petition is disposed of. No costs.
