3. By consent, the writ petition itself is taken up for final

disposal at the admission stage.

4. According to the petitioner, he is the absolute owner of the property comprised in Survey No.340/2A6 measuring 0.42.0 hectares situated at Azhiyanillai Village, Aranthangi Taluk, Pudukkottai District. He was also granted patta for the said land. He has been in possession and enjoyment of the property continuously without any interference. The petitioner has made an application before the first respondent on 18.03.2015 and 31.07.2015 for surveying the land. But till date, according to the petitioner, no action has been taken by the respondents for identifying the boundaries and surveying the land. Therefore, the petitioner has approached this Court seeking for a direction as stated supra.

5. Considering the limited scope of the prayer sought for by the petitioner in the writ petitioner, the writ petition is disposed of with a direction to the respondents to carry out the survey identifying the boundaries of the subject land within a period of four weeks from the date of receipt of a copy of this order. It is also open to the authorities to issue notice to the rival claimants if any, interested in the subject land. No costs.
