..Respondent

Prayer: Writ Petition filed under Article 226 of the Constitution of India, praying this Court to issue a Writ of Mandamus directing the respondent herein to dispose of the Petitioner's application dated 8.2.2017 which is filed under Sections 5,23,24,25,28 of the Maintenance and Welfare of Parents and Senior Citizens Act, 2007 within the time Stipulated by this Court.

ORDER

The Petitioner has approached this Court seeking issuance of a Writ of Mandamus directing the respondent herein to dispose of the Petitioner's application dated 8.2.2017 which is filed under Sections 5,23,24,25,28 of the Maintenance and Welfare of Parents and Senior Citizens Act, 2007 within the time Stipulated by this Court.

2.MrD.Muruganandam, learned Additional Government Pleader takes notice for the respondent.

3.By consent of both parties, the main Writ Petition is taken up for disposal, at the admission stage itself.

4.According to him, his son and daughter-in-law are not taking care of him in his old age and they have acting against his interest all along and he has no means to support himself and therefore, he filed an application under the provisions of the Maintenance and Welfare of Parents and Senior Citizens Act, 2007 Act. The said application has been made on 8.2.2017. Before any order being passed on the application, the Petitioner has

unnecessarily rushed to this Court seeking a Writ of Mandamus for the relief stated supra.

5. The learned counsel for the Petitioner try to impress upon this Court that no order will be passed on the application unless this Court interfere with the same. I do not find that such contention raised by the Petitioner is acceptable for the reason that this Court cannot interfere with the rights of the statutory authority who is vested with the power, as per the provisions of the Act. There cannot be any apprehension for the Petitioner before any order being passed. As no other material has been produced by the Petitioner in support of his contention, I do not find any merit in the Writ Petition as the same is being a pre-matured one and the accordingly the Writ Petition is dismissed as pre-matured. No costs.
