O R D E R

The learned counsel for the first respondent on instructions submits that the petitioner joined duty at Karur in terms of the impugned order of transfer and he has also made an endorsement to that effect.

2.The learned counsel for the petitioner does not dispute this factual position

3.It is trite law that an order of transfer is an incidence of service and the same is not subject to judicial review, except when it smacks of malafides or there is lack of jurisdiction of the authority passing the order, which limited grounds of interference have not been substantiated by any reliable materials in this case.

4. Accordingly, this Writ Petition is dismissed. No costs. Consequently, the connected miscellaneous petition is closed.
