In the same manner, in the month of December, the daughter of the informant came to her and informed that her husband and her in laws including sister-in-law were quarrelling with her round the clock and two days prior to her visit, the disputes became intensive. On 02.01.2017, between 1000 hours to 1400 hours, the daughter of the informant stayed with her and informed her that her husband (A1) challenged with her to do away her life as how her father killed her mother and went into the house. Later, she went inside her house, bolted the doors and committed suicide by hanging.
