

HON'BLE SRI JUSTICE A.RAMALINGESWARA RAO

W.P.No.21988 OF 2017

ORDER

This writ petition is filed challenging the action of respondents 3 and 4 in obstructing/stopping the digging operations of the petitioner's fish tank in an extent of Ac.06.00 in R.S.No.474/1 at Tamirisa Village, Nandivada Mandal, Krishna District.

The petitioner claims that himself and his family members are having agricultural lands. Due to frequent inundation of water, the said lands are not fit for agricultural operations. Hence, they made an application on 30.03.2017 for grant of permission to convert the agriculture lands into aqua culture farms. After verification, the District Level Committee granted Provisional Registration Certificate on 13.06.2017. In spite of the same, when respondents 3 and 4 are obstructing the digging, the present writ petition is filed.

In view of the permission obtained by the petitioner, the Writ Petition is disposed of directing the respondents not to interfere with the conversion so long as the petitioner confines to

the conditions mentioned in the Provisional Registration Certificate. If the petitioner violates the said conditions, it is open to the respondents to take appropriate steps in accordance with law. No costs.

Miscellaneous petitions, if any, pending shall stand closed.
