

THE HON'BLE DR. JUSTICE B.SIVA SANKARA RAO

CIVIL REVISION PETITION No.3706 OF 2011

ORDER:

Heard both sides.

The suit against the impugned order of the lower court dismissing the application to maintain an unnumbered appeal with delay of 1320 days of perusal of the reasons assigned even from the pragmatic approach for there is no sufficient cause, hence, there is nothing to interfere.

Accordingly, this civil revision petition is dismissed. Miscellaneous petitions pending consideration, if any, in this case shall stand closed in consequence. No order as to costs.
