The Court made the following:

**HONOURABLE SRI JUSTICE P.NAVEEN RAO**

**WRIT PETITION NO.33115 OF 2010**

**ORDER:**

All the petitioners were engaged as Guest Lecturers/ Teachers. This writ petition is filed aggrieved by not regularizing the services of petitioners and trying to replace them with temporary Lecturers/teachers. According to the petitioners, they have been working as Guest Teachers/Lecturers under the respondent-Tribal Welfare Residential Educational Institutional Society and without regularizing their services, there is an attempt being made to induct outsiders.

2. According to the learned counsel for petitioners, petitioners were engaged against regular vacancies; they are qualified and eligible and their services are required on regular basis and thus, not regularizing services of petitioners is illegal.

3. In the counter-affidavit filed on behalf of respondents, contention of the petitioners that employment was granted in their favour is denied. According to them, there was delay in recruitment process and as and when there is requirement, these persons were engaged and such employment was for the academic year, treating each academic year as independent unit. According to the respondents, there is no scheme of regularization.

4. Furthermore, learned counsel for petitioners submits that he does not have instructions as to whether these petitioners are continuing as of now and if they are continuing in what capacity they have been continuing. Thus leaving it open to the petitioners,

if at all they are continuing in service, to make representations ventilating their grievances and/or to request payment of appropriate pay and allowances, writ petition is disposed of.

Miscellaneous petitions, if any, pending in this writ petition shall stand closed. There shall be no order as to costs.
