M.M.S. BEDI, J. (ORAL)

The order dated April 15, 2016 has been complied with.

It appears that the delay in payment of the interest was on account of pendency of SLP which has now finally been decided. No doubt, there has been a delay in implementation of the order passed by this Court but the circumstances do not warrant any action for disobedience as it is neither willful nor intentional. The objective of civil contempt is to implement the directions which stands already complied with in this case.

Petition is disposed of. The proceedings are dropped.
