Versus

Simranjit Singh

...Respondent

CORAM:HON'BLE MS. JUSTICE RITU BAHRI

Present: Mr. Gagandeep Singh Sirphikhi, Advocate,
for the petitioner.

Mr. K.S. Rekhi, Advocate,
for the respondent.

Ritu Bahri, J.

Challenge in this petition is to the order dated 29.01.2016 (Annexure P-4) passed by the Civil Judge (Junior Division), Batala, whereby application filed by plaintiff (respondent herein) for permission to take photographs by the Fingerprints and Handwriting expert of the signatures of defendant from the document i.e. Ex.P1 and from the original power of attorney, has been allowed.

Learned counsel for the petitioner states that in her written statement, the petitioner had denied execution of the alleged General Power of Attorney and once execution of the said document had been denied, the trial Court could not direct the Handwriting and Fingerprints expert to take photographs of the signatures on the alleged General Power of Attorney.

Comparison of signatures can only be done with the admitted signatures.

After hearing learned counsel for the parties, it is clarified that the specimen signatures given by the petitioner (defendant) in the presence of both the counsel and Handwriting & Fingerprints expert, shall be compared with the disputed signatures on Ex.P1 i.e. agreement and the signatures on the General Power of Attorney.

Disposed of accordingly.
