CORAM: HON'BLE MR.JUSTICE M.M.S.BEDI

PRESENT Mr.Parminder Singh, Advocate,
for the petitioner.

M.M.S. BEDI, J. (ORAL)

The present revision petition has been filed by the plaintiff- petitioner against the order dated 5.4.2017 vide which the application filed by the plaintiff- petitioner for sending the original tender form of defendant No.2 dated 2.2.2017 regarding cuttings of the rate from 26.40 per quintal to 25.40 per quintal to the Forensic Science Laboratory, Madhuban, Karnal, has been dismissed.

There appears to be a dispute between plaintiff and defendant No.2 pertaining to certain tenders for labour contract for harvesting. The plaintiff as well as defendant No.2 both appear to have been allotted tender for above said work. The trial Court has dismissed the application, inter alia, on the ground that at this stage the same cannot be allowed as the same would serve no purpose.

After going through the order, I do not find any ground to interfere in the impugned order. The petition is dismissed. However, it is observed that dismissal of the application by the trial Court and dismissal of the present revision petition will not deter the trial Court at any subsequent stage to allow similar application in case it is deemed appropriate in the interest of justice at that particular time.
