[1]. During the course of arguments, both the parties have reached a stage of consensus on broad features of the case i.e. the share of the judgment debtor arising out of his entitlement from Will dated 08.08.2002 will be ascertained by the Executing Court before proceedings ahead with the execution. The attachment shall be made strictly in consonance with the share of the judgment debtor arising from the said Will which has been implemented in the revenue record.

[2]. In view of aforesaid understanding between the parties, this revision petition is disposed of with a direction to the Executing Court that the area belonging to the judgment debtor

as per his entitlement from the Will which was duly implemented in the revenue record be attached in execution of the decree.

[3]. Till such time, the auction may not be confirmed.

[4]. For the purposes of calculating the entitlement of the judgment debtor, decree which was obtained in a suit filed after attachment of the property may not be seen.
