CORAM:- HON'BLE MR. JUSTICE ANIL KSHETARPAL

Present: Mr.Jaswinder Singh, Advocate for the petitioner.

ANIL KSHETARPAL, J.

This Court while deciding Civil Revision No.407 of 2014 on 9.8.2017 rejected the request of the plaintiff to direct defendant No.2 for DNA profiling so as to determine the paternity of the defendant i.e. Mohinder Singh.

Learned counsel for the petitioner has asserted that at that time the plaintiff-petitioner was leading evidence in affirmative and his prayer was declined by the trial court and such order was affirmed by this Court. He has further submitted that thereafter additional issues were framed and the plaintiff has summoned the certain witnesses who have not supported the plaintiff, although these witnesses had made a statement before the police otherwise. Additional issues as framed by the court below were duly noticed by this Court in the order dated 9.8.2017. Merely because some witnesses have not supported the plaintiff's version, it does not give fresh cause of action to the plaintiff to file another application for DNA profiling.

Revision petition is dismissed.
