This writ petition was restricted only regarding payment of back wages. No stay was granted regarding payment of back wages. We had asked learned counsel for the parties to apprise this Court the latest position. Since the Lower Court had awarded reinstatement of the respondent-workman and ordered payment of back wages and the writ petition was restricted only qua back wages and no stay was granted, we are of the view that the order of the Labour Court must have been complied with. At this stage, we consider it appropriate to order that the case be consigned to record-room with liberty to the parties, to get the case revived in accordance with law, if circumstances so exist.

Copy of the order be supplied/sent to learned counsel/parties.
