for respondents No.1 to 4.

On notice being issued, learned counsel for the petitioner had appeared on some previous date of hearing and had stated that he has no contact with the petitioner. He had also stated that he does not know the present address of the petitioner. Notice was also issued to the petitioner, which was received back with the report that he was not available on the said address as he was already transferred to Punjab Water Sources Bhawan, Sector-68, Mohali. Notice was ordered to be issued to the petitioner at this fresh address, which has been received back with the report that there are so many departments related to Water Resources and provide complete address. Despite taking several opportunities, no Officer/official of the respondent – department has come present along with the record. Address of the petitioner has also not been provided by the respondent-department.

Hence, we are of the view that none of the parties is interested in pursuing this petition any more and the same must have become infructuous. Accordingly, the present writ petition is ordered to be consigned to the record room with liberty to the parties to get it revived, if so desire.
