Learned counsel for the petitioner submits that the order dated February 22, 2017 passed by this Court is liable to be recalled as the prayer is for making investigation against the respondents as the police was not making any investigation as the respondents were the police officials.

Learned counsel for the State submits that the FIR that was registered against the petitioner was investigated and after investigation cancellation report was prepared and placed before the trial Court, that was the statement made by the learned counsel for the State in the order dated February 22, 2017.

Learned counsel for the petitioner submits that since the FIR that was registered against the petitioner was not found to be correct and that the cancellation report has been filed, this petition is for direction to investigate against the concerned police officer who had registered the FIR

against the petitioner. He further submits that he had made the representation also to the higher officer but the same was not considered. In that view of the matter, in supersession of earlier order dated February 22, 2017, I make the following order:-

ORDER

1. The present petition is disposed of with a direction to the concerned Higher Officer to look in to the representation-Annexure P-7 moved by the petitioner and take a decision thereon within a period of 8 weeks from today.
2. In any event, the petitioner would be at liberty to take such steps as are available in law.
