ANITA CHAUDHRY, J.

The issue involved in this appeal is short, therefore, I do not propose to give the detailed facts.

A jeep owned by Union of India met with an accident and a claim was filed seeking compensation for the damages that were caused to the jeep. The Motor Accident Claims Tribunal, Karnal after going through the evidence led before it, allowed a sum of Rs.65,000/- as damages vide award dated 10.11.1998.

The insurance company has assailed the order on the ground that there was a limited liability and no amount over Rs.6,000/- should have been awarded.

A copy of the policy is available on record, which clearly shows that additional amount of premium had been paid, therefore, the compensation could not have been limited. I find no merit in the appeal and the appeal is dismissed.
