As per reply filed by the State, after registration of F.I.R No. 68 dated 03.08.2016, the investigation was carried out by the police along with main F.I.R No. 68. While the investigation was going on, on 07.08.2016, a call was received from the petitioner stating therein that some people have fired upon his house. On receipt of this information, police party headed by ASI Nachhattar Singh reached the spot and conducted an enquiry and it was found that some portion of wall has been broken but no empty cartridge was

found from there or from anywhere else around the house. The petitioner did not get his statement recorded and was asked to come to the police station in the morning. Thereafter, detailed enquiries were conducted and a joint statement of respectables of the village were recorded who testified that no sound of firing was heard on the night of 07.08.2016 and both the parties are at loggerheads and often make allegations against one another. He concluded in his enquiry that no action is required to be taken in the matter.

In view of the above, no further orders are required to be passed in the present petition at this stage.
