Seen the reply dated 27.01.2017 filed by the police.

Upon reading of the reply it appears that the investigation is going on.

Learned counsel for the petitioner however, has apprehension that the thorough and proper investigation would not be made and that is why petition for transfer of investigation to some other agency has been filed.

It is not possible to make order of transfer in each and every case lest the evidence which could be possibly collected. Apart from that the interest of the petitioner can be taken care of by directing the senior and superior officers to oversee the investigation being conducted by the local police.

The petition is disposed of with direction as aforesaid.
