H.S. MADAAN, J. (Oral):

Reply has been filed by the State. It has specifically been mentioned in the reply that on completion of the investigation, final report under Section 173 Cr.P.C. has been prepared and presented in the Court of Competent Jurisdiction on 24.10.2017 and now the case is fixed before the trial Court on 17.11.2017 for the purpose of framing of charge.

The present petition has been filed on the ground that after registration of the FIR, challan had not been filed in the Court. In view of the position explained by official respondents in the written reply filed by them, the petition has become infructuous and the same is disposed off accordingly.
