FAO-4806-2002

This appeal has been filed against the award dated 08.02.2002 passed by the Motor Accidents Claims Tribunal, Kurukshetra, whereby, compensation of Rs.1,55,000/- has been awarded on account of damages to the car, which was involved in the accident.

The instant appeal has been filed on the ground that under the Motor Vehicles Act, 1988, in a third party insurance policy, the liability was confined to Rs.6,000/- only.

However, learned counsel for the appellant submits that on a perusal of the insurance policy, it has been found that the additional premium had been paid for an unlimited third party property damages. Thus, he submits that this appeal is groundless.

In view of the fair stand taken by the learned counsel for the insurance company, the present appeal is hereby dismissed.
