CRM No.6565 of 2017

Heard.

Application is allowed and Annexure P-16 (colly) is taken
on record.

CRM-M-46632 of 2016

Heard learned counsel for the rival parties.

This is a petition for grant of regular bail in FIR No.41
dated 12.02.2016, under Sections 406, 420, 120-B of the Indian Penal
Code, 1860, registered at Police Station Zirakpur, S.A.S. Nagar,
Mohali.

Learned counsel for the petitioners vehemently argued the
petition for bail. He contended that in all other cases, petitioners have
been on bail except one.

I have seen the list of the FIRs registered against the
petitioners which are 22 in number of the similar nature.

Learned State counsel states that, though, the Investigating

Officer has been examined, the complainant and other witnesses are to be examined tomorrow, i.e. 03.03.2017.

Learned counsel for the petitioners submits that the complainant has not been appearing for several dates which is clear from the zimni orders.

Learned counsel for the complainant submits that the complainant would positively appear before the trial Court.

In my opinion, since the petitioners are already on bail in so many cases, the trial ought to be completed in the present FIR case since it has already commenced and is being adjourned thereafter, from September 2016 for no good reasons. Learned counsel for the complainant submits that the complainant would appear before the trial Court tomorrow so also other witnesses.

It is made clear that if the complainant does not appear before the trial Court, the trial Court shall issue non-bailable warrants against the complainant. Trial Court is directed to examine all the witnesses and complete the trial in any case by 30.04.2017. If the trial is not completed with the stipulated period, liberty is reserved in favour of the petitioner to again apply for bail to this Court.

Petition stands disposed of, accordingly.
