Notice of motion was issued in this case along with notice re: condonation of delay on 21.03.2016 on the premise that the petitioner was ready and willing to pay back the amount. Petitioner was admitted to interim bail so as to allow him to arrange funds to answer the claim of the complainant. It was made clear that in case petitioner fails to satisfy the claim before a specified date, the concession of interim bail shall come to an end. Thereafter, neither the claim of the complainant was satisfied, nor the petitioner came present in the Court despite specific order. The bail was cancelled on 06.09.2016.

Learned counsel for the petitioner submits that the

petitioner has not contacted him since long and pleads no instructions.

In view of above, this revision petition is dismissed for non prosecution. Necessary consequences to follow.
