KULDIP SINGH J. (ORAL)

None is appearing for revisionist.

In the present revision, notice of motion was issued only on the quantum of sentence. The revisionist was convicted by the learned Judicial Magistrate 1st Class, Jalandhar, and was sentenced as under, vide judgment of conviction and order of sentence dated 21.8.2012 :-

<u>Under Section</u>	<u>Conviction R.I. for</u>	<u>Fine Rs.</u>	<u>In default R.I. for</u>
420 of IPC	Two years	1000/-	1 month
474 of IPC	Two years	1000/-	1 month

In the appeal before the learned Additional Sessions Judge, Jalandhar, decided on 26.8.2015, the only prayer made was for showing leniency in the matter of sentence. Accordingly, the learned Additional Sessions Judge, Jalandhar, reduced the sentence as under, vide judgment dated 26.8.2015 :-

<u>Under Section</u>	<u>R.I.</u>	<u>Fine</u>	<u>In default</u>
420 of IPC	One year	1000/-	1 month
474 of IPC	One year	1000/-	1 month

CRR No. 3841 of 2015 (O/M)

Before this Court also, notice of motion was issued only on the quantum of sentence.

I have considered the case of revisionist, heard the learned State counsel and have also carefully gone through the file.

In this case, fake certificates were recovered from the possession of revisionist. The lower appellate Court has already shown the leniency by reducing the sentence of rigorous imprisonment from two years to one year. No further leniency is possible. Hence, the revision is dismissed.
