Heard.

Learned counsel for the petitioner presses the revision only on the quantum of sentence.

Petitioner is alleged to have beaten up one lady Darshana. Her left lower one first incisor was found missing. There were also injuries on the left side of the head. There were other injuries on scapular region left leg etc. Learned Additional Chief Judicial Magistrate, Kapurthala vide judgment of conviction and order of sentence dated 11.9.2015, convicted and sentenced the petitioner and his co-accused to undergo Rigorous Imprisonment for three months under Section 323 read with Section 149 IPC in addition to fine and Rigorous Imprisonment for six months under Section 325 read with Section 149 IPC in addition to fine. All the sentences were directed to run concurrently. Judgment was upheld in appeal.

Considering the nature of injury and the fact that these are attributed to the petitioner, I do not find any ground to reduce the sentence.

Resultantly, the present revision petition stands dismissed.
