Shingara Singh alias Shingari v. State of Punjab and ors.

Present: Ms.B.P.K.Brar, Advocate
for the applicant/petitioner.

.....

Since the matter pertains to the release of the convict on parole to meet his family members, we deem it appropriate to allow the application and prepone the main petition to today.

After taking the matter on board and noticing the contention of the learned counsel for the petitioner that the instructions in the State of Punjab would enable the case of the petitioner to be considered for parole after one year of the commission of the offence while in jail, we deem it appropriate to issue notice of motion for 07.11.2017, the date already fixed.

In the meantime, the petitioner may place on record the instructions.
