This petition has been filed for seeking the directions to the officials respondents to decide the premature release case of the petitioner in accordance with law and to grant the concession of permanent parole during the pendency of his premature release case.

The learned State counsel states that case of the petitioner is covered by the policy regarding premature release of life convicts (Annexure R-1) dated 08.08.2000. As per the requirement, the case for premature release could be considered on completion of 14 years of actual sentence including undertrial period provided that the total period of such sentence including remissions is not less than 20 years. As on now, the petitioner is not covered by the policy.

At this stage, the learned counsel appearing for the petitioner seeks permission to withdraw the present petition with liberty to file a fresh petition on the same cause of action after the petitioner becomes eligible.

Dismissed as withdrawn.

However, the Court feels that no such liberty is required. Further, State itself will examine the case as the State will expected to take care of the petitioner under the policy.
