M/s Ration Depot Holder Association Regd.

.....Petitioner

versus

Union of India and others

....Respondents

CORAM : HON'BLE MR. JUSTICE M.M.S. BEDI**Present:** Mr. Vijay K. Jindal, Advocate
for the petitioner.Mr. Piyush Khanna, Advocate
for respondent No. 1.Mr. Inder Pal Goyat, Addl.A.G., Punjab.
for respondents No. 2 and 3.**M.M.S. BEDI, JUDGE (ORAL)**

This petition has been filed by Ration Depot Holders Association Regd., which consists of Fair Rice Shop Owners claiming that they were entitled to transportation charges, margin money and handling money etc. for distribution of wheat under the policy framed under the Control Orders (National Food Security Act, 2013). A direction has also been sought to respondents No. 2 and 3 to make payment of the amount due @ Rs.87/- per quintal and to grant other consequential reliefs.

Learned counsel for the petitioner has fairly submitted, at the time of the final arguments, that under the new policy framed, all the benefits due, have been released to the members of the petitioner-Association but counsel for the petitioner has expressed his dissatisfaction regarding the FPS owners margin which has now been

increased as per the new policy from Rs.25 per kg to Rs.50 per kg.

Since no policy indicating the said increase has been placed on record, it will not be feasible for this Court to grant any relief beyond the prayer made in the writ petition without prejudice to the rights of the members of the petitioner Association to claim subsequent enhancement as per the policy.

This petition is disposed of as having rendered infructuous. In case, any of the members of the petitioner Association are entitled to any enhanced amount, the same may be released to them in case, a request is made in accordance with the rules. In case any of the members is still not satisfied, it will be open to the said members to approach this Court, independently.
