Petitioner has not produced any material to state that respondent-workman has worked only for 2 years. On 27.07.2017, this Court directed the petitioner to produce relevant documents. Today learned counsel for the petitioner submitted that no documents are available. In the absence of any document, petitioner's contention that respondent-workman has worked for only 2 years cannot be accepted. Therefore, no interference is called for in respect of award dated 21.11.2016.

Accordingly, petition stands dismissed.
