CORAM : HON'BLE MR. JUSTICE P.B. BAJANTHRI

Present : Mr. Jagbir Malik, Advocate for the petitioner.

P.B. BAJANTHRI J. (Oral)

Petitioner is a candidate for recruitment to the post of Statistical Assistant pursuant to the advertisement dated 10.7.2015. His candidature has not been considered on the score that petitioner do not possess one of the requisite qualification namely master degree in Mathematics, which is undisputed.

It is submitted that petitioner has master degree in applied mathematics.

In the absence of rules providing for master degree in applied mathematics, petitioner's candidature cannot be considered for the post of Statistical Assistant. Thus, the official respondents have rightly taken a decision in not considering the candidature of the petitioner.

Accordingly, petition stands dismissed.
